Dear Student:

This letter will serve as the official notification of your academic suspension from the university for the fall 2017 term. You are re-admissible for the spring 2018 term without any petition of your status. You need only complete an online application for readmission. Please be reminded that no work earned at another institution during your period of suspension will be transferred back to The University of Mississippi.

To continue enrollment without interruption, you may be readmitted through one of the following options:

1. If you have repeated a course in which you previously received a “C-“, “D” or “F” grade, then you may request, under the forgiveness policy, that only the second attempt be computed in your grade point average. This may raise your grade point average to a point that will make you eligible to return. Note that only four courses (maximum of 12 hours) during your academic career can be used in application of the forgiveness policy. If you qualify for this option and wish to employ it, you may print the form by clicking this link http://registrar.olemiss.edu/ and selecting Forgiveness Policy and Form under Paper Forms. Once you have completed the form, please submit it to the Registrar’s Office for processing.

2. You may choose to participate in the Contractual Readmission Program. This program requires you to enroll in EDHE 202 - Fundamentals of Active Learning, which provides academic support and requires a higher semester GPA (2.20). The program also requires the student to carry a maximum of 16 credit hours for the semester, including EDHE 202. You must apply to this program through the Center for Student Success and First-Year Experience (662.915.1391) by Monday, August 14, 2017. Go online to http://ccfye.olemiss.edu/contractual-readmission-program/ to access the application and learn more about the Contractual Readmission Program.

If you have been placed on Financial Aid Suspension, you should contact the Office of Financial Aid. Completing a Financial Aid Suspension appeal WILL NOT correct your academic suspension.

We wish you well in your future academic endeavors. Feel free to contact the Registrar’s Office at 662.915.7792 with any questions regarding your academic standing.

Sincerely yours,

Charlotte Fant Pegues
